HEALTH AND SAFETY POLICY

Policy Statement

Our statement of general Health And Safety policy is:

To provide adequate control of the health and safety risks arising from our activities;

To consult with our members on matters affecting their health and safety;

To provide and maintain safe plant and equipment;

To ensure safe handling and use of substances;

To provide proper information, instruction and supervision for members;

To ensure all members are competent to do their tasks, and to give them adequate training;

To prevent accidents and cases of ill health arising from the organisation's activities;

To maintain safe and healthy operating conditions; and

To review and revise this policy as necessary at regular intervals, or upon change of Chair
